MESSAGE FROM THE AUTHOR

I'm collecting DVDs at the moment. It's very fun to watch all those movies from the past over again. But I was told by my assistant, "Most of them are totally unrelated to romance," though...

YORUMADE MATENAI 4

▲TSUKASA△
An elementary student who fell in love with his step-sister, Haruka. Tries to have his way with Haruka.

▲ HARUKA ▲
A high school student whose step-brother made a move on her, and is leading an exciting life.

STORY

Due to her father's remarriage, Haruka now has a new step-brother - Tsukasa-kun. Though Haruka was somewhat annoyed by the little boy at first, who had a devilish and playful side, she was gradually drawn to him and they both fell in love...

But strong rivals would appear in front of the two one day!! Tsukasa's rival was "Obaa-chan" (grandma), who looked after Haruka all the way up to the end of Junior High. Haruka's rival was Tsukasa's childhood friend, "Jesse," who transferred to Tsukasa's school in Japan to fight against Haruka! It seems that the road to lovie-dovieness... is still far for the couple...!?

THAT'S OKAY, I WAS HAPPY WITH THE PRESENT YOU GAVE ME LAST YEAR.
REALLY? REALLY?
THEN THERE'S SOMETHING I HAVE PICKED OUT FOR YOU!
HMM... WHAT DID YOU GET LAST YEAR?
A GIANT STUFFED SALAMANDER.
...STUFFED ANIMAL.
A DINOSAUR ...

I do remember seeing that thing in Haruka's room...
It was a special thing...
It wasn't a dinosaur?
HARUKA, CAN YOU WAIT FOR A SECOND?
OH... I FORGOT MY PASS EXPIRED.
OKAY.

WELL, WHEN YOU ASK ME ON THE SPOT...
IS THERE SOMETHING YOU WANT, HARUKA?
I WANNA KNOW TOO.

Tomorrow is Tsukasa-kun's graduation ceremony...

As soon as grandmother heard the news, she said she wanted to go to Kyushu to visit my uncle.

His mother is flying in today, to attend the ceremony...

She left this early this morning...

TN: Kyushu, an island of Japan.

Do you think grandma will come home today?

When she's with us I could feel that she seems to mind and feels awkward about dad's remarriage.

That's why she's not entirely comfortable with your dad's remarriage.

Since Haruka's late mother is grandmother's daughter.

Yeah...

That's why I can't help but worry...

A little closer..

?

A bit more..

Haruka could you come a little closer?

Ah.

Oh yeah, close your eyes

Um...

okay.

What happened?

Huh?

Huh?

To the bedroom of course. ♡

Why are we going to the bedroom?

Tsukasa where are you taking me?

Wait...let me down!

Didn't you say you'd wait for me to be ready?

I am waiting; I'm waiting for you right now.

Huh?

But...

I'm going to fall!

Sorry, you must be scared right?

Shall we try that again?

Ah...

The second time is not as scary as the first time right?

See! ♡

TUKASA

That's why "practice" ♪ is essential.

But, I haven't cooked breakfast yet. Um... D'dn't you say you're going to pick up your mum at the airport today?

Don't worry; her plane won't arrive til dusk.

That's not true! This is definitely worth a try.

Tsukasa I feel like this isn't quite right...

But...

still...

ﾅｰ...

Haruka

Trust me...

I love you more than anything in the world.

Don't worry about it, let it ring

But maybe it's your mum calling

If you've got something to say, say it. You have three minutes then I'm hanging up.

I haven't seen you in a while, how have you being?

Don't be like that We haven't had any father and son bonding time lately

We're not father and son anymore.

One minute has already gone.

Such rude words said by someone with such a cute face...

Little brat .

I'm listening! Just tell me what you want.

Are you listening to me?!

Really? It's not serious is it?
Is it Kouki-san?
It's not serious, I'm sure he's just exagg-erating
Yeah, he said he's caught a cold and is resting at home at the moment. He wants me to visit him.
P.R.
I've already told you I'M NOT GOING!
RRR PRRR
Huh?

Tsukasa!

This person is Tsukasa-kun's mother.

I couldn't wait to see you.

(They're speaking in English)

I thought your plane wasn't arriving til dusk.

That's right

Haruka's here as well, please speak in Japanese.

When was the last time we saw each other?

She's looking this way.

Dad was with us that time

Haruka, this is for you.

This type of flower is called a violet, it's my favourite flower

Huh?

Wow

Are you nervous?

Um..

a little bit.

To tell you the truth, I'm a little worried too

!

Ah..

This feeling ..

It was such a coinc'dence that we got your call just after Kouki-san called

I'll get it

I was so surprised when I heard Tsukasa yelling on the phone.

Yes.

Kouki... He's in Japan at the moment?

Okay...

The feelings I get from this flower is so like the feelings I get from Tsukasa-kun's mother.
Lovable, warm and fragrant...
This is the person that dad chose
KNOCK KNOCK
Tsukasa-kun is it you?

So... is there anything I can do for you?

Um... no.. I'm used to it.

Does he come into your room at this time of the night? He really has no manners.

You're used to it?!

That's right I almost forgot!

Can I sleep with you tonight?

I'm not allowed to drink alcohol yet

A little b't won't do any harm.

Hmph

Well then thanks for having me

I thought your reaction would have been different to the one you've given me and I thought you would have disapproved of me.

Your father bringing home an unfamiliar woman.

You know the first time I met you; I was very surprised with your reaction towards me

Really?

That's because...!

At the time,

dad, he...

Of course!

Can I ask you something?

I'm sorry I asked such a personal question, but...

Is it that you guys don't love each other anymore?

You guys must have loved each so much to get married right?

Why did you break up with Kouki-san?

Haruka, do you have someone you like?

No...um...not technically...

It wou d be nice to always be with that person.

I stil love Kouki, but when I'm with him...

I feel that happiness is drifting furtner and furtner away from me, that's why...

When I was young,

Grandma would hold my hand...

and take me to visit mum at the hospital.

Mum and dad would always stand next to each other...

and welcome us with big smiles on their faces.

That day eleven years ago was the first time that I ever saw dad's tears.

That he didn't want to see me...

But I knew, deep in my heart...

Grandma was concerned with his health, worried that he would work himself too hard and harm his health

From that day on, he almost never came home because of work.

Every time he saw me, all I could see on his face was the pain.

Because,

Afterwards, I don't know when it started ..

Dad started to smile again

And the person standing next to him was...

Tsukasa's mother.

Really?

Why did Jessie seem so down when I saw her?

卒業式

Jessie's parents asked us to keep an eye on her and see how she's doing recently.

Just like Kouki?!

Now you sound just like Kouki.

That's nothing to be happy about.

When I'm walking with you, I feel like a celebrity. All the girls are turning around to look at you.

There's no meaning to it if the girl I want to turn around and look at me isn't turning around

MUM!

D'd you get dumped?

Sorry

No

Could I have a button...

from Tsukasa-kun's blazer?

So stingy!!! So cold-blooded!!! So rude!!!

Haruka...

Do you want to walk home together? ♡

Sure! But don't you have to attend club activities after school?

Yes but I want to go shopping with you.

Sure!

Sorry

Ah...

I just remembered... I have another commitment today..

I think

I should just check up on him before I go home...

CRACK

Huh?

AH!

I think it would be safe as long as I don't go into the apartment.

Haruka...?

Hello..

Sorry, I didn't see you there. I really am sorry about this

Sorry, are hurt anywhere?

No, not at all.

Would you like to come in?

Don't worry about it

I didn't think you would come. I'm very happy that you are here.

Thank you

I heard you've got a cold.

Here you go. .

How did I arrive at this po nt?

Yes. . Um. . Haruka,

could you come over here?

No! Tsukasa!

Am I that untrustworthy?

What did you think I was going to do?

My temperature returned to normal last night.

Oh..

Yes?

Besides I have a favor to ask of you.

Hehe... Don't worry about it

Sorry! Sorry!

Sor-

Don't worry; I am not the type of person who would lay a hand on my son's girlfriend.

All I have being eating is restaurant food these last couple of days, I miss having a good old fashioned home cooked meal

It's at the end of the hallway on the right hand s˙de

No problem... could you let me know where the kitchen is?

But even she knows she has to be on her guard

Although she looks a bit dazed at times..

Hmmm.

We both want to be with each other...

Even though deep in our hearts this is what we want...

there are times where even something like this can be achieved.

I always feel that one day... he's going to walk away and leave.

What's the matter?

Nothing.

Are you still angry?

There's something different about me today.

Haruka, have you realised?

Huh?

The gap between you and me

has gotten a little smaller.

To ce ebrate this change...could I kıss you?

I rea·ly don't understand what you're talkıng about.

Don't worry.
